- (b) to preclude a Party from applying measures that it considers necessary for the fulfillment of its obligations with respect to the maintenance or restoration of international peace or security or the protection of its own essential security interests.²

ARTICLE 23.3: TAXATION

1. Except as set out in this Article, nothing in this Agreement shall apply to taxation measures.

3. Notwithstanding paragraph 2:

- (a) Article 2.2 (National Treatment) and such other provisions of this Agreement as are necessary to give effect to that Article shall apply to taxation measures to the same extent as does Article III of GATT 1994; and
- (b) Articles 2.11 (Export Duties, Taxes, or Other Charges) and 2.12 (Engine Displacement Taxes) shall apply to taxation measures.

4. Subject to paragraph 2:

- (a) Articles 12.2 (National Treatment), 13.2 (National Treatment), and 13.5.1 (Cross-Border Trade) shall apply to taxation measures on income, on capital gains, or on the taxable capital of corporations that relate to the purchase or consumption of particular services, except that nothing in this subparagraph shall prevent a Party from conditioning the receipt or continued receipt of an advantage relating to the purchase or consumption of particular services on requirements to provide the service in its territory; and

except that nothing in the Articles referred to in subparagraphs (a) and (b) shall apply:

- (c) any most-favored-nation obligation with respect to an advantage accorded by a Party pursuant to a tax convention;
- (d) to a non-conforming provision of any existing taxation measure;
- (e) to the continuation or prompt renewal of a non-conforming provision of any existing taxation measure;
- (f) to an amendment to a non-conforming provision of any existing taxation measure to the extent that the amendment does not decrease its conformity, at the time of the amendment, with any of those Articles;

However, no investor may invoke Article 11.6 as the basis for a claim where it has been determined pursuant to this subparagraph that the measure is not an expropriation. An investor that seeks to invoke Article 11.6 with respect to a taxation measure must first refer to the competent authorities, at the time that it gives its notice of intent under Article 11.16.2 (Submission of a Claim to Arbitration), the issue of whether that taxation measure is not an expropriation. If the competent authorities do not agree to consider the issue or, having agreed to consider it, fail to agree that the measure is not an expropriation within a period of 180 days of such referral, the investor may submit its claim to arbitration under Article 11.16.3.
